19-Year-Old Doyral Wynn Indicted for Sexually Assaulting Mother and Daughter in May 2024; Additionally Charged with Several Other Incidents Including Shooting that Linked to Sexual Assault

CLEVELAND - Cuyahoga County Prosecutor Michael C. O'Malley announced that a Cuyahoga County grand jury has returned an indictment charging 19-year-old Doyral Wynn with Rape, Aggravated Robbery, and Kidnapping among other charges for sexually assaulting a mother and daughter in East Cleveland in May 2024. Additionally, he was charged with several other incidents, including the shooting that linked him to the sexual assault.

"Doyral Wynn's violence knows no boundaries," said Prosecutor Michael C. O'Malley. "He sexually assaulted a mother and her daughter at gunpoint in a field in East Cleveland, then he fired two shots at a car with his relative and family members inside. He is capable of harming anyone at any time."

On May 2, 2024, a 37-year-old mother and her 19-year-old daughter were walking home from a local store located on Hayden Avenue in East Cleveland. They were approached by an unknown male dressed in all black wearing a mask. He produced a firearm and ordered them to put everything they were carrying into a bag. After they complied, he ordered them into a nearby field, forced them to the ground and continued to sexually assault both victims at gunpoint. After the assaults, he fired two shots into the air and told them they were free to go. After the assault, the victims went to a hospital and the incident was reported to police. Two shell casings were later recovered from the scene.

On March 7, 2025, a 34-year-old male was driving with his wife, 31, and their two children, 7 and 3, southbound on East 133rd Street in Cleveland. A black Jeep Cherokee began to follow their vehicle. As the 34-year-old male drove past the Jeep Cherokee, Doyral Wynn fired two shots at the victims' vehicle. He immediately drove away. The victims were not injured in the shooting and the vehicle was not struck. The 34-year-old male identified Doyral Wynn as the shooter and one shell casing was recovered from the scene.

The shell casing from the shooting was entered into the NIBIN data base where it matched to the two shell casings recovered from the sexual assault scene.

A search warrant was executed on April 9, 2025, at a residence Wynn was staying at near East 111th Street and Ashbury Avenue in Cleveland. Seven firearms were recovered from a safe with Wynn's social security card. On April 18, 2025, Doyral Wynn was arrested by the Cleveland Division of Police (CDP) and was found to be in possession of a firearm that matched the casings recovered from the sexual assault scene and the shooting scene. The firearm had been reported stolen in 2023.

The investigation was conducted by the Cuyahoga County Sheriff's Department with assistance from the Crime Gun Intelligence Center, ATF Cleveland, CDP, and the East Cleveland Police Department. Firearm evidence, witness testimony, and DNA evidence linked Wynn to the crimes.

In addition, Wynn is also charged with four shootings at a vacant lot near Brackland Avenue and Eddy Road in Cleveland from February 20, 2024, to July 15, 2024. He is also charged with Having Weapons Under Disability and Improperly Handling Firearms in a Motor Vehicle relating to an unconnected traffic accident where he was found in possession of a firearm.
